TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

By Appointment.

The old Bridge is a substantial structure fifteen arches which spans the Tweed and the Tweed valley, connecting Tweedmouth and Berwick. It measures nearly 1,000 feet long and was constructed by James I. at a cost of £17,000. It is interesting to note that the sixth pier from the north at one time separated the County Palatine of Durham from Berwick.
